CLINICAL REGISTRY SPONSORED BY THE SEXUAL MEDICINE SOCIETY OF NORTH AMERICA (SMSNA)

HAVE YOU BEEN SUFFERING FROM PREMATURE EJACULATION;  
DELAYED EJACULATION; ANORGASMIA/ANEJACULATION;  
DYSORGASMIA/DYSEJACULATION?

THE SMSNA INVITES YOU TO PARTICIPATE IN A RESEARCH STUDY.

As a participant you would:

1. Complete an initial online questionnaire establishing a baseline (compensation \$50)
2. Complete 3 subsequent questionnaires in the first year and 2 questionnaires in the second and third years of the study (compensation \$25 each). \*Total compensation is \$225 for completion of all questionnaires.
3. Optional partner participation. A separate questionnaire would be sent directly to your partner to complete. For each response the partner is compensated \$25 for a max of \$200.

The questionnaire is a series of approximately 30 questions (demographic, yes/no, multiple choice, or short answer). It will assess your penile function and ejaculatory or orgasmic function, document other symptoms, and ask basic questions regarding sexual activity.
