

AUA  
FUTURE  
*in Urology*<sup>™</sup>

In collaboration with AUA FUTURE in Urology<sup>™</sup>, the SMSNA Medical Student and Resident Committee Presents:

## AUA FUTURE<sup>™</sup> in Sexual Medicine

The inaugural SMSNA-FUTURE in Urology<sup>™</sup> program will take place at this year's SMSNA meeting at the Gaylord Texan Resort & Convention Center in Grapevine, TX. The purpose of this program is to connect medical students interested in pursuing a career in urology with current urology residents/fellows and faculty who will serve as mentors. The goal is to establish relationships that will last far beyond the confines of the SMSNA meeting.

The program will kick off with the SMSNA-FUTURE<sup>™</sup> Mixer which will take place on **Friday October 10<sup>th</sup> from 5:30-6:30PM**. At the mixer, you will learn more about the FUTURE<sup>™</sup> program and medical students will have an opportunity to discuss an array of topics with residents, fellows, and faculty actively involved in the AUA.

You will also have the chance to meet with your mentor/mentee. The hope is that you will be able to spend time together at the meeting on Saturday.

**Space is limited. Please sign up at the following links:**

**Medical Student sign-up:** <https://forms.gle/4XvtifoNak2XH4fKA>

**Resident/Fellow/Faculty sign-up:** <https://forms.gle/g9qyzAu1UBGqWPiZ7>

AUA's FUTURE in Urology<sup>™</sup> Program is an incubator for pre-clinical and third-year medical students from all demographic backgrounds who are dedicated to increasing the urology workforce and supporting equitable health care. It is designed to encourage these students to consider a career in urology. It will provide opportunities to network, develop longitudinal relationships, and cultivate diverse interest in our specialty.
